Applicant believes that the independent claims 72 and 74 and dependent claims 73 and 75 are fully supported by the Specification and Drawings as filed. Applicant believes that independent claims 72 and 74 and dependent claims 73 and 75 are allowable in view of the cited prior art.

Applicant respectfully submits that no new matter has been added. Accordingly, Applicant believes that the present response is fully compliant and may be entered and acted upon.

Applicant respectfully requests withdrawal of the rejection and reconsideration for amended claim 63 because the heater feature has been deleted from claim 63.
